**SUPPLEMENTAL INFORMATION DISCLOSURE STATEMENT**

Pursuant to Applicants' duty, under 37 C.F.R. § 1.56, 1.97 and 1.98, to disclose all relevant material, the Applicants list below the following references believed to be relevant to the subject matter of the above-identified application:

<u>U.S. Patent No.</u>	<u>Issue Date</u>	<u>Inventor</u>
1. 6,604,922-B1	08-12-2003	Hache

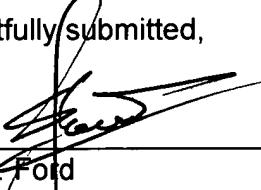

Applicants respectfully submit that the invention in the above-identified application is patentably distinguishable over the cited references known to Applicants and disclosed in this Supplemental Information Disclosure Statement.

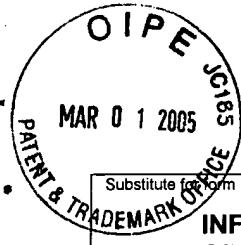

This Supplemental Information Disclosure Statement is being filed after three months following the filing date of this application and after a first office action on the merits, however, no item of information contained in this Supplemental Information Disclosure Statement was cited in a communication from a foreign patent office in a counterpart foreign application and no item of information contained in this

Supplemental Information Disclosure Statement was known to Applicants or its attorneys more than three months prior to the filing of this Supplemental Information Disclosure Statement. 37 CFR § 1.97(e)(2).

Respectfully submitted,

Date: March 1, 2005
